Good evening,

I recently received a jury summons for Kings County, scheduled for February 25, 2025.

However, I am currently studying abroad in Sweden and will be unable to attend. I was unable to find instructions on how to request an excusal for this circumstance, so I would appreciate your guidance on the proper steps to take.

I have attached my acceptance letter to my study abroad program as proof, which also includes the program's contact information. Please let me know if this documentation is sufficient or if any additional information is required.

Thank you for your help!

Best regards,

Kimberly Anahi Galdamez
